

**On Thursday Luke, Olivia, and Pia meet Dave in Greenwich. They are walking around and talking about music. Fill in *some* or *any*:**

Luke: I'm a techno fan. England is great for techno. I've got \_\_\_\_\_<sup>(1)</sup> great techno CDs at home.

Dave: Techno! Isn't it too loud for \_\_\_\_\_<sup>(2)</sup> normal people?

Olivia: Yes, it is. I like disco music.

Pia: Are there \_\_\_\_\_<sup>(3)</sup> CD shops in Greenwich?

Olivia: Well, there are \_\_\_\_\_<sup>(4)</sup> small shops in town.

Luke: There aren't \_\_\_\_\_<sup>(5)</sup> really good shops.

Olivia: But there are \_\_\_\_\_<sup>(6)</sup> really big shops in London. We can't go there now. Let's go to that small shop over there. It isn't bad.

Pia: Yes, maybe I can buy \_\_\_\_\_<sup>(7)</sup> CDs there.

Dave: Have you got \_\_\_\_\_<sup>(8)</sup> money, Pia?

Pia: Yes, I have. Well, I haven't got \_\_\_\_\_<sup>(9)</sup> English money. But I've got \_\_\_\_\_<sup>(10)</sup> euros. Can't I pay with euros here?

Dave: No, you can't.

Olivia: Well, Pia, I can give you \_\_\_\_\_<sup>(11)</sup> English pounds. And you give me \_\_\_\_\_<sup>(12)</sup> euros when I go to see you in Berlin.

Pia: Maybe I can buy \_\_\_\_\_<sup>(13)</sup> CDs with German music. So your parents can listen to \_\_\_\_\_<sup>(14)</sup> German music. Let's go in.

**Now they are in the shop and are talking to the shop assistant::**

Shop a.: Can I help you?

Pia: Have you got \_\_\_\_\_<sup>(15)</sup> CDs with German music?

Shop a.: I'm sorry. We haven't got \_\_\_\_\_<sup>(16)</sup> CDs with modern German music. But we've got \_\_\_\_\_<sup>(17)</sup> CDs with Mozart's music.

Pia: Oh no, I don't want \_\_\_\_\_<sup>(18)</sup> CDs with Mozart or Beethoven. I'm looking for \_\_\_\_\_<sup>(19)</sup> modern German music.

Olivia: And I'd like \_\_\_\_\_<sup>(20)</sup> disco music. Have you got \_\_\_\_\_<sup>(21)</sup>?

Shop a.: Yes, we have. I can show you \_\_\_\_\_<sup>(22)</sup> CDs over there.

Olivia: That's wonderful. Can we listen to \_\_\_\_\_<sup>(23)</sup> CDs?

After half an hour they buy \_\_\_\_\_<sup>(24)</sup> CDs and go home again.
