Fill in the correct Genitive forms:

Here is Lady Grey (1) house. And here are her two cat (2) baskets. The two cat (3) names are Pepper and Salt. Pepper (4) basket is black and Salt (5) basket is grey. Pepper often runs away. Pepper (6) favourite tree is in the woods. Salt (7) favourite tree is in the detective (8) garden.

When Lady Grey (9) cat runs away, she asks for the detective (10) help. Sherlock (11) house is next to the park. He knows the cat (12) favourite tree. Pepper (13) friend is also in the park. The two cat (14) favourite activity is climbing a tree. The two cat (15) favourite tree is in the middle of the park. They don't like the other trees. The wolf (16) favourite place is under the two cat (17) tree. When he hears the detective (18) car, he usually runs away. The wolf (19) hiding place is in the bushes behind the cat (20) tree.

Sherlock (21) favourite place is on the bridge. He loves watching the fish under the bridge. Three or four fish usually swim under the bridge. Sherlock (22) favourite wish is to catch a fish or two. But the fish belong to Mr. and Mrs. Catcher, Lady Grey (23) neighbour. The Catcher (24) house is very big with the river running through their garden. Sherlock Groans doesn't catch a fish, because he is scared of Mr Catcher (25) three big dogs. The dog (26) cage is often open and they often run up and down the river.
